

ErisTerminal® VSP601 Accessory DECT Cordless Handset

VSP601

Add mobility to your SIP communications with the VSP601 SIP cordless handset, which can be expanded to up to six VSP601 handsets, each with its own extension and unique phone number, when paired with the VSP600 SIP base station. You can also pair the VSP601 with our VSP725, VSP726, VSP735 and VSP736 SIP desksets as an accessory handset to allow you to take your office calls on the go.

VSP601 Key Features

Super-clear mobility with Orbitlink Wireless Technology.™

Leave your desk without leaving your work behind and enjoy DECT 6.0 sound quality and reception.

Scalability.

Growing pains? Register up to six cordless handsets to the VSP600 base station and program each one with its own phone number or extension.

Flexibility.

Flexible pairing mode, either standalone with our VSP600, or a mobile twin when paired with our VSP725, VSP726, VSP735 or VSP736.

Time to talk.

With 7 days standby and 7 hours of talk time, you don't have to worry about needing to charge mid-call.

Intuitive design.

You're in business with a user-friendly interface, large backlit display, three soft keys and navigational pad.

Three-year warranty.

Enjoy peace of mind that comes with an industry-leading, standard three-year warranty. VTech also provides advance replacement on warranty claims using new, not refurbished, products.
